Resin Coasters

My resin coasters are handmade using professional artist resin from Barnes and alcohol inks. My coasters are made by applying resin to a silicone mould and adding inks to the resin. Because they are handmade, each coaster is unique with unique ink textures. They measure 10 cm and comes with rubber feet attached to the bottom.

The coasters are \$7 aud each and are made to order.

Art Scarves

My art scarves are reproductions of some of my favourite original paintings.

They are printed in Melbourne on a soft microfiber polyester with a slightly transparent look. The print is visible from both the front and the back and the scarves measure 140x140 cm.

The scarves are \$35 aud and are printed on demand.
